TCBC 2026 Christmas APPEAL

Providing Access to Legal Help

We believe that all people deserve to be able to access legal help regardless of their background or financial situation.

The Centre Focuses on...

Families experiencing high conflict family breakdowns, child support, safety and family violence. The clinic helps protect children and parents from violence and abuse.

Helping Families in Crisis Remake Themselves...

Our support will help provide a free fortnightly legal clinic to our local community. It enables families to foster healthier relationships and increased connection beyond separation.

Lucy Sullivan and Natalia Kim are the lawyers from the Horizons Family Law Clinic which operates fortnightly at Thornleigh Community Baptist Church.
